The Pet Professional Guild Education Scholarship Program

Scholarship Operational Guidelines

Scholarship Program Description

A limited number of scholarships will be offered to eligible Pet Professional Guild (PPG) members to further their education in force-free training and/or pet care. The scholarships are intended for participation in suitable programs offered by organizations that support PPG's [Guiding Principles](#) and goals.

Candidate Eligibility

- The candidate must be a current PPG member in good standing for a minimum of 12 months.
- Members can be full, associate, or provisional, and across all training and pet care specialties.
- Pet owner members are not eligible.

Educational Organization Application

Educational organizations that are current PPG members, educational providers, or corporate partners are eligible to apply for the inclusion of their educational facility in the PPG Scholarship Program. Educational offerings can be online, in person, or a hybrid (*please see organization eligibility below*). The organization must complete the online program submission form. Opportunities are also available for organizations to in part or fully sponsor a scholarship program and thereby benefit from a range of marketing opportunities with PPG.

Scholarship Application

PPG must receive applications for the Scholarship Program from March 15 - April 15 any given year. Only applications that are fully and correctly completed will be considered.

Scholarship Award Process

All scholarship applications will be reviewed by the scholarship selection committee, which includes members of the PPG education committee, the PPG steering committee and a PPG board member. Final scholarship recommendations will be forwarded to the PPG

board of directors by May 15 of any given year. The board of directors will notify all applicants of the outcome of their applications no later than June 15 of the year in question. Scholarship funds will be remitted directly to the educational provider and not the candidate.

Some educational programs have prerequisites. It is in the applicant's best interests to ensure they have reviewed the application criteria for the school they are interested in attending and that they meet any necessary acceptance criteria. Candidates for these programs will have to be approved by the Education Provider prior to funds being transferred and final approval granted.

Operations and Management of the PPG Educational Scholarship Program

Receipt of Applications to Announcement of Scholarships

- When an application is received, candidates receive an automated confirmation email. The process proceeds thus:
- Your current membership standing, length of time as a member and your membership type will be verified by the scholarship administrators.
 - If you are a current member of either PPG Australia (PPGA) or PPG British Isles (PPGBI), then your membership will be verified by the appropriate PPG officer.
- After the closing date of the applications (close of business on 15 April EST), all applications will be sent to the education scholarship selection committee (from here on in referred to as the committee).
 - The committee will comprise:
 - Two members of the PPG steering committee
 - Two members of the PPG education committee
 - One PPG board member
 - A chairperson will be elected from within the committee
- The committee will not have access to candidates' names. All applications will be handled anonymously and in confidence.
- Committee members will have 7-10 days to study all applications individually. The process thereafter is:
 - The chair of the committee will call a meeting within 14 days of receiving the applications.
 - At the meeting, the merits of each application will be discussed.
 - If there is only one application for a particular scholarship, it will be assessed on its own merits. The committee reserves the right not to grant the scholarship if the application is deemed unsatisfactory.
 - If the number of applications received is large, the need for a second committee meeting may present itself.
 - After the final meeting, the committee chairperson will collate the results and present its final findings to the PPG board.
 - The PPG board of directors will announce the names of successful applicants by 15 June of every application year.
